

PROTECT HIGH RISK PATIENTS

EO STERILIZE SCOPES

Immune compromised patients need a higher standard of processing for endoscopes
EO Sterilization provides the added safety you and your patients need

1 24 HOUR PROCESSING

2 6 MONTH STORAGE

3 OEM APPROVED

OFFSITE EO

Nation wide service. Use our OEM validated shipping system to send your scope. We inspect, clean, and EO sterilize your scope to OEM standards. We ship your sterile scope back to you in 24hours.

1M X BETTER THAN HDL

EO sterilization is one million times more lethal than HDL. Patients and hospitals benefit from the extra safety.

FDA REGISTERED CONTRACT STERILIZER

We also provide our EO service to OEM's. We are the contract sterilizer of record for Olympus America and their PJF-160 rental endoscope program.
